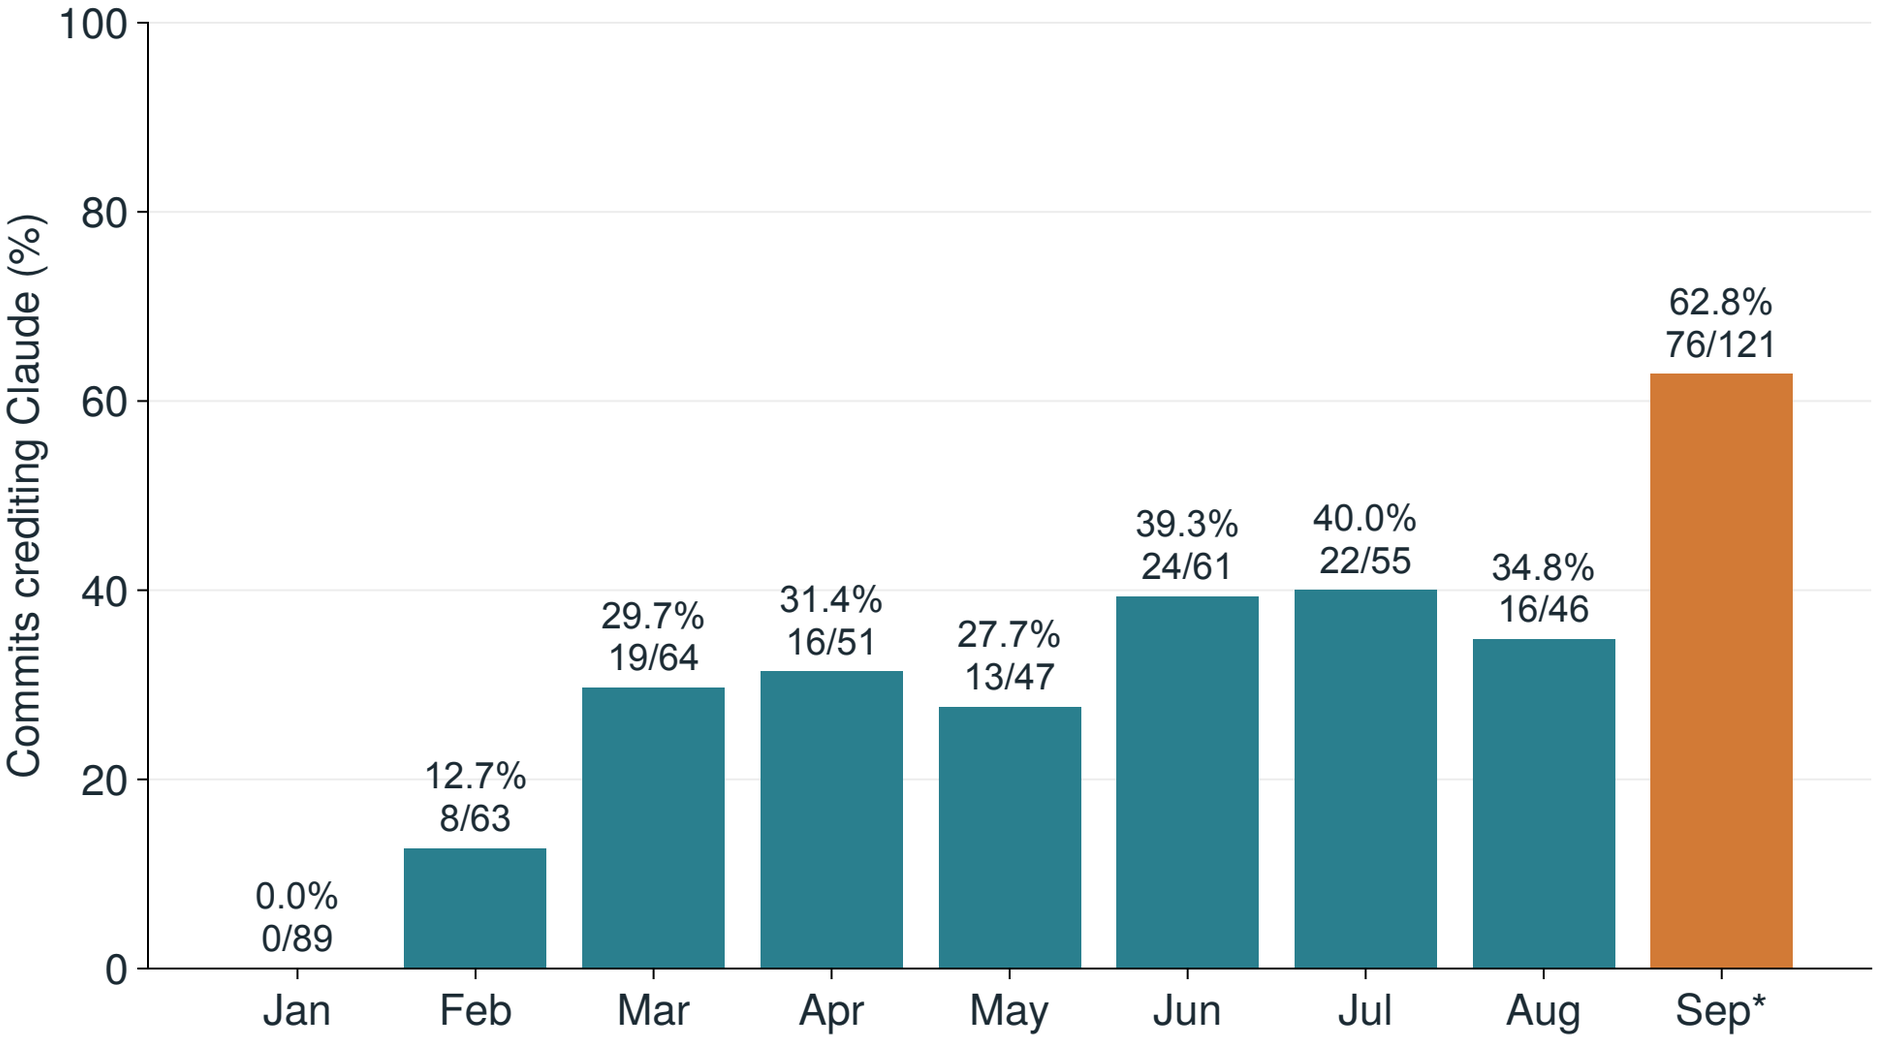
Claude co-author credit reached 63% of September commits

Oceananigans main-branch history • 2026 to date: 194 / 597 commits (32.5%)



Source: CliMA/Oceananigans.jl, main at b9725744cd31; snapshot 30 Sep 2026. *September is partial through collection.
Denominator: all retained commits reachable from main, including merge and bot commits; UTC committer month.
Each commit counted once. Co-author trailers disclose assistance, not the fraction of code AI wrote; attribution is optional.
