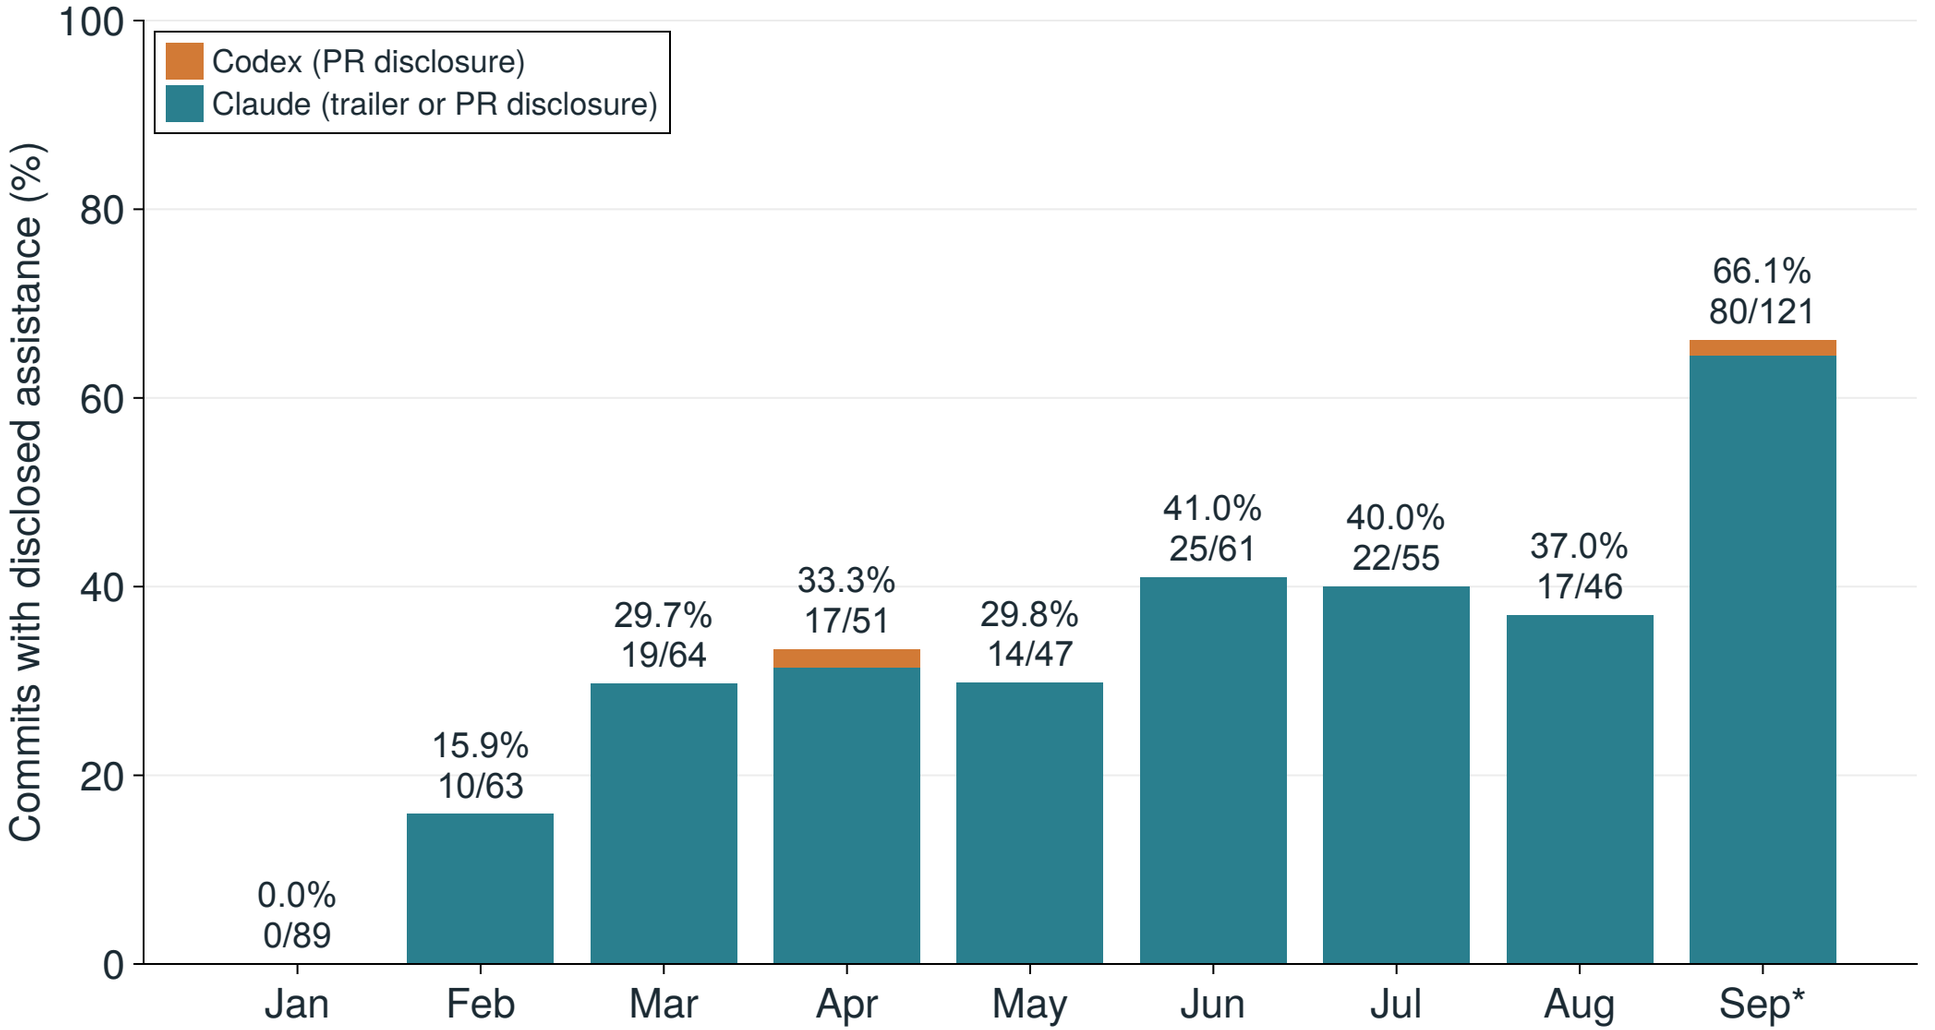
Disclosed Claude or Codex assistance: 66% of September commits

2026 to date: 204 / 597 commits (34.2%)



Source: CliMA/Oceananigans.jl, main at b9725744cd31; 30 Sep 2026. *September is partial through collection.
Evidence: explicit co-author trailer OR assistance disclosure in a merged PR whose merge SHA matches the commit.
Denominator: all retained main-reachable commits, including bots and merges; UTC committer month. Count each SHA once.
Optional disclosures are incomplete and do not quantify AI-written code. PR descriptions may have been edited after merge.
