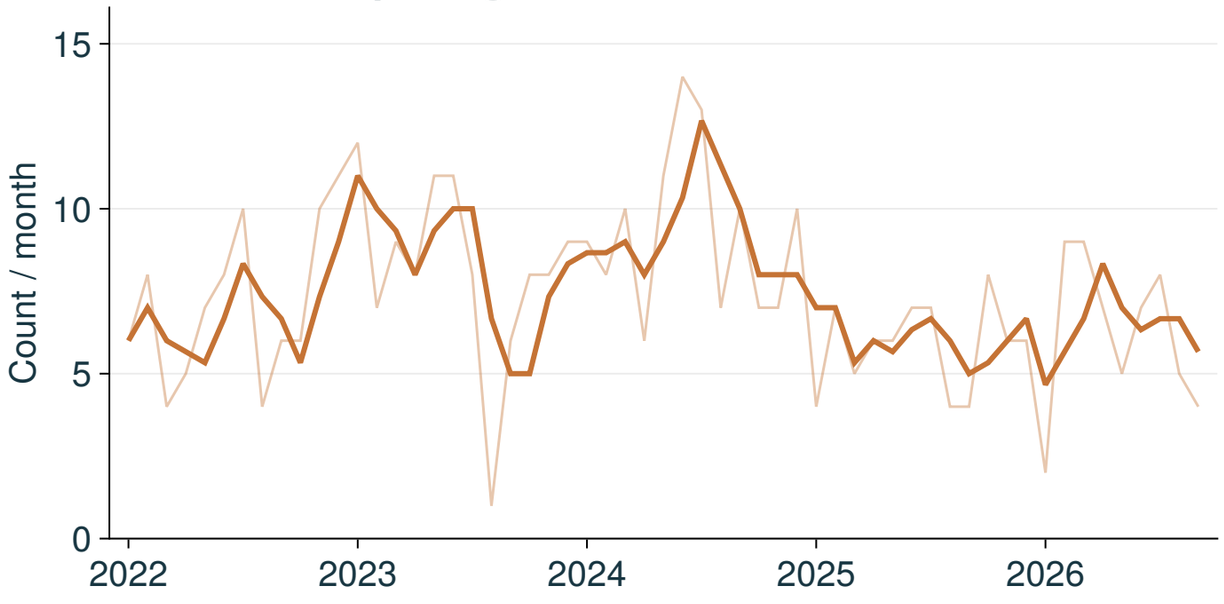
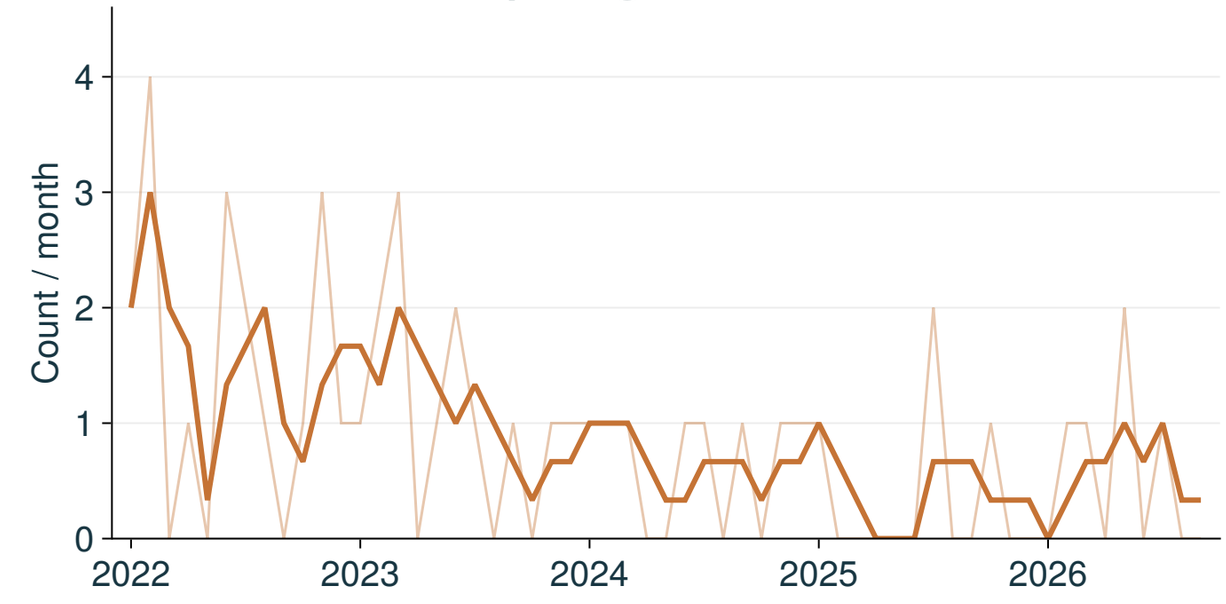
Distinct MR-opening accounts



First observed MR-opening accounts



Source: forge.nemo-ocean.eu/nemo/nemo; 1,214 public MRs, collected 6 Oct 2026. Thin: monthly; thick: trailing 3-month mean.
The GitLab record starts in November 2021; first observed contributors may have contributed earlier. Accounts are not necessarily people.
Includes release-branch backports, which can count the same work more than once. Activity does not identify an AI productivity effect.
