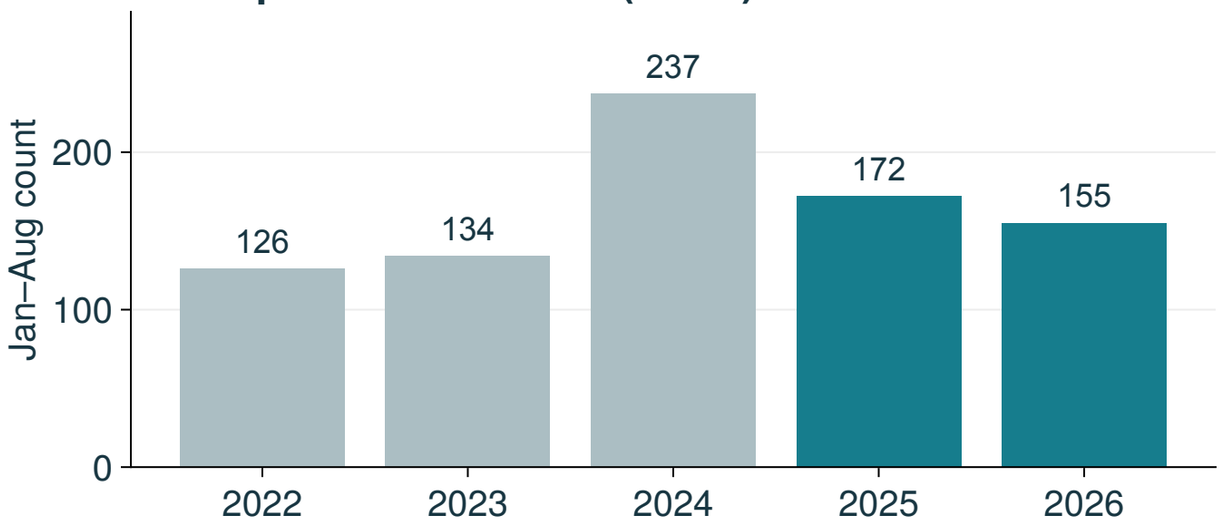
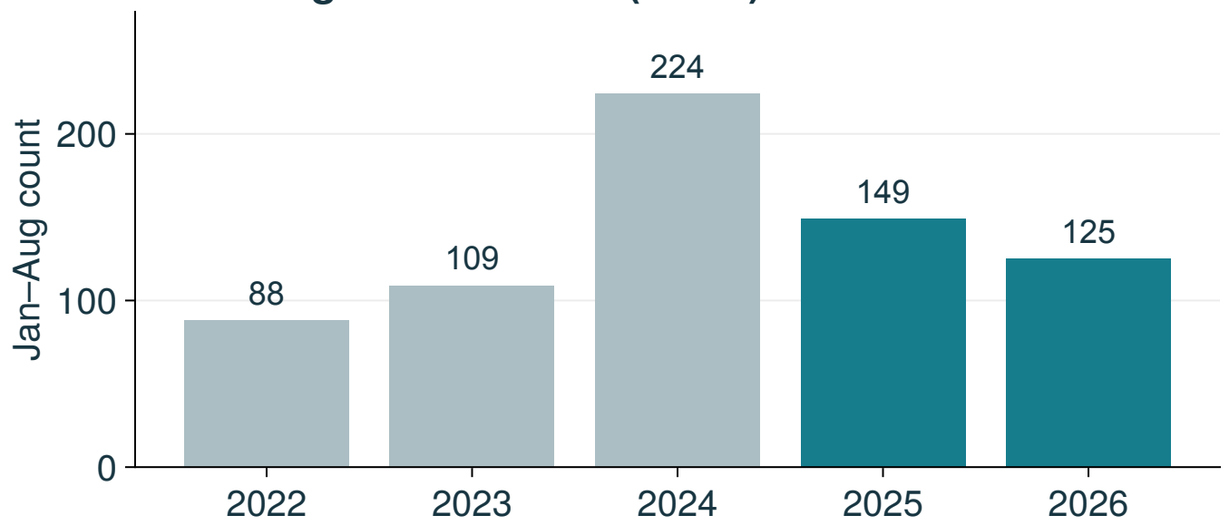
# NEMO: fewer merge requests, more participating accounts in 2026

January–August comparisons • all target branches

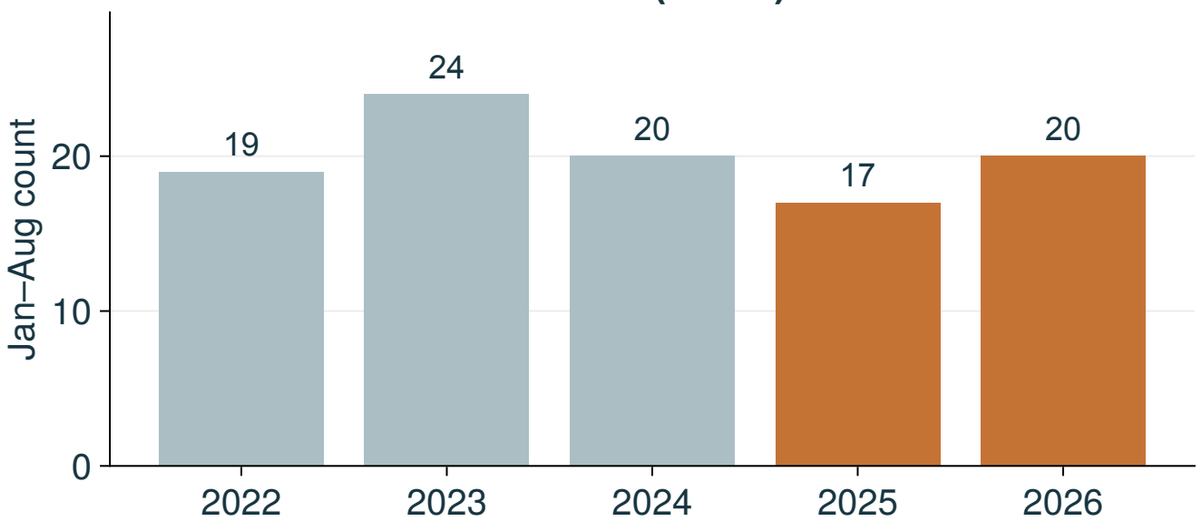
## MRs opened: 172 → 155 (−10%)



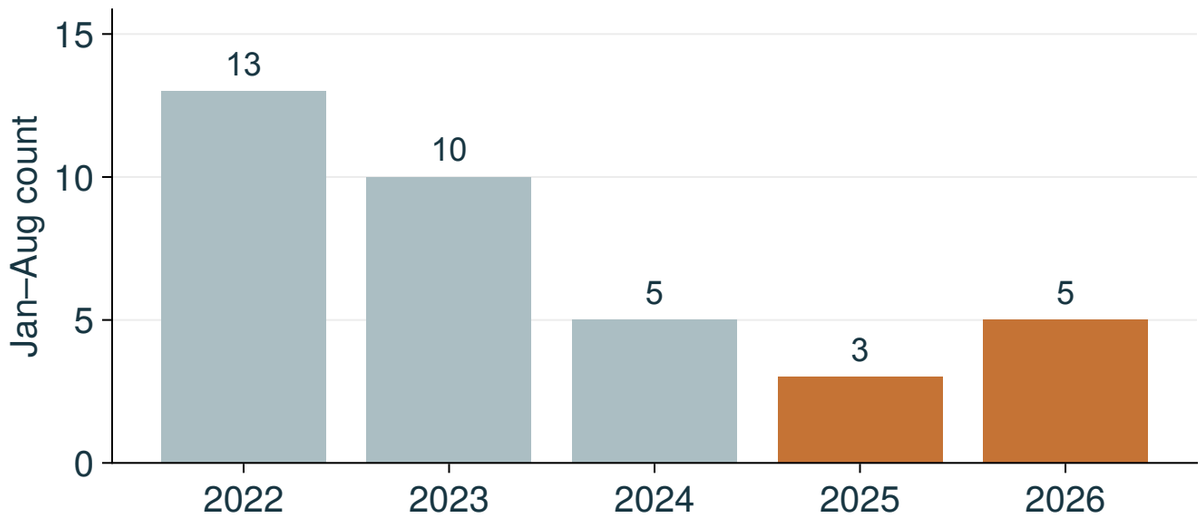
## MRs merged: 149 → 125 (−16%)



## Distinct accounts: 17 → 20 (+18%)



## First observed accounts: 3 → 5



Source: public NEMO GitLab MRs, snapshot 6 Oct 2026. Headline changes compare 2025 with 2026. No known bot-pattern accounts found.
Main-target MRs alone: opened 89 → 94; merged 75 → 70. Branch/backport practices affect the all-target totals.
